

## Applications close at 5.00pm Friday 31<sup>st</sup> May 2019

Grants for the CREATE 2019 Conference *Voices in Action: Nothing About Us Without Us* are available to young people between 12 and 25 years of age with a statutory care experience. Young people under 18 years of age must be supervised by an adult during the conference. CREATE has limited funds and only a small number of young people from each state and territory are able to attend, therefore, we request that for those young people under 18 years requiring a carer/ worker to accompany them that the carer/worker seek other sources of funding to enable them to accompany the young person. CREATE does realise that sometimes this is not possible, and will consider requests for adults unable to secure funding from other sources although places are very limited.

### Who can apply?

- If you are 12 to 25 years of age with a statutory care experience
- If you are an Adult (Parent/Foster Carer/Guardian) who will be supervising a Young Person under 18 attending the conference

*N.B. If you are under the age of 18 you will need to have your Parent/Foster Carer/Guardian with legal responsibility sign the form.*

### What types of grants are available?

There are two types of grants available to both young people and the adults who will be supervising young people under the age of 18 attending the conference:

1. Travel and Accommodation
  - CREATE will book and manage flights and accommodation.
  - A maximum of four nights will be provided.
  - Funding goes directly to the service providers.
2. Conference Registration
  - The total cost of the conference registration price is covered. This comprises of the 3-day conference fee.

*N.B. Successful applicants are responsible for finding their own way to and from the Airport. Young people and adults can apply for one or both grants by ticking the appropriate boxes on the application form. Separate applications for young people and adults are not required; simply fill out either or both Sections 1 and 2 of the one application form. \*Also please note that if successful, most applicants will be asked to share accommodation with other successful applicants of the same gender and age range.*

### What is expected of me if I am successful?

If you were successful, it would be expected that you attend all the morning sessions and participate in as many sessions/workshops as you can. We would expect that you act in a responsible and respectful manner towards participants at the conference, and that you respect all participants' confidentiality and rights and will not disclose sensitive information outside of the conference.

### What if I am not successful?

We would love to see as many young people as possible. If you have the funds to attend yourself without seeking a grant just go to our registration page. If you are unsuccessful in getting a grant and want to attend, you will need to self-fund your accommodation, travel and registration costs.

### When will I find out if my application has been successful?

All applicants will be advised of the result of their applications within four weeks of the closing date. Please be advised that no late applications will be considered.

### Can I apply online?

If you would like to apply for your grant online, please complete the online form at [voicesinaction.create.org.au/via-grant-application](http://voicesinaction.create.org.au/via-grant-application)

### What if I have received a grant to attend a CREATE conference in previous years?

You can still apply for a grant even if you have received a grant to attend a previous CREATE Conference.

### If I live in Melbourne can I apply for travel and accommodation assistance?

To apply for travel and accommodation assistance you must live at least 90 minutes away from the Conference Venue. If you live closer, you may still apply for a grant for Conference Registration.

If you require any more additional information or assistance, please contact CREATE Foundation in your State or Territory on 1800 655 105 or email [create@create.org.au](mailto:create@create.org.au)
